Richard Angeloni Park
Playground and Park Upgrade

City of Melville

ENGAGEMENT RESULTS

The playground at Richard Angeloni Park in Kardinya is due for renewal, providing an opportunity to create a welcoming space that encourages play and community connection.

To reflect local community preferences, the City invited residents to vote for their preferred playground design.

Three options were presented, each offering a different play experience through a mix of equipment, themes and features to encourage fun, exploration and outdoor activity for children of all ages and abilities.

Voting was open from **Monday, 19 October to Wednesday, 4 November 2026** via the City's community engagement website, Melville Talks.

OPTION 1

OPTION 2

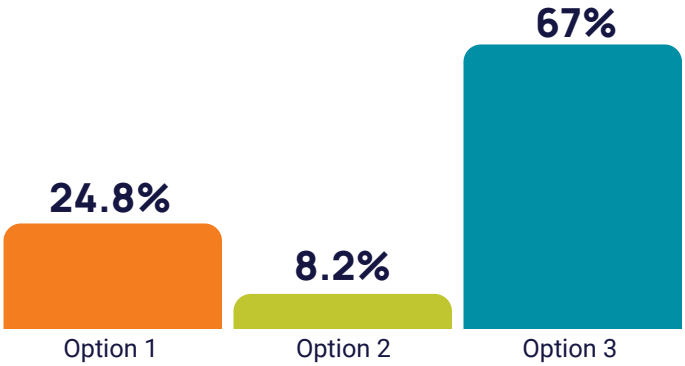

OPTION 3

Results

Option 3 received the highest number of votes and will progress to detailed design.

Next steps

With the winning playground design now selected, the project is progressing to detailed design and construction planning, with works expected to begin in 2027.
